Plenary lectures, the poster session and the award ceremony will be hosted on ForagerOne. Please create an account at symposium.foragerone.com/account/profile

Once you create an account...

- Verify the email address by click on the link in your email.
- Log into your account and select Discover Events.
- You can filter by organization "University of Florida" and search by event name **"Neuromuscular Plasticity Symposium"**
- By default, the "Show Only Launched Events" box is checked in the search. Unless you uncheck that box, the symposium will not populate when you search by name.
- Select "Register" and "Confirm your Registration"
